

FOH/mixer location
Fixed construction, cannot be changed

Outside FOH/mixer location
Extended mixing space, these spaces are held until we know how big mixing space/FOH you need

Lodges C and H
Places for cameras when recording arrangements, you must have seats for the cameras, you can't have them in between because of fire regulations

Back of the hall on the back seating
Follow spot, we release these if you don't need them

Poor visibility
Sold only in exceptional cases, places with very poor visibility
